Dear Student

Welcome to Quartet.

In this activity book, you will find a lot of activities and games. You will be able to complete them in class or at home, sometimes with the help of your schoolmates or your parents.

Most of the new vocabulary you will learn is in the *Word Bank* section.

Each of the instructions is written in English and is matched to a special pictogram. When you see this icon  at the end of an instruction, it invites you to use the words in the *Word Bank* section. This way, it will be easier for you to understand the task you are required to do.

Also, special pages titled *Talking Tips* will give you easy tips for expressing yourself in English.

Have a wonderful school year in ESL class!
